Thursday 19 March, 2020

**Statement from The Most Rev Michael Morrissey
on revised and temporary changes to be implemented within the Diocese of Geraldton
in relation to Novel Coronavirus (COVID-19)**

Dear Fathers, Sisters, Pastoral Leaders, Principals and Leaders of Agencies

On Wednesday 18 March 2020, the Prime Minister expressly communicated a *'ban on non-essential gatherings of persons of one hundred or greater in indoor areas'*. The government's existing ban on non-essential outdoor gatherings of five-hundred persons or greater, which came into effect on Monday 16 March 2020, remains in effect. I commit the Diocese of Geraldton to the support of, and compliance with, both of these government directives and their associated and instructive public health advice.

The Western Australian and Federal Governments continue to issue ongoing public health advice in relation to COVID-19. The Diocese of Geraldton continues to be guided by this advice through our ongoing commitment to monitoring any threat posed by COVID-19 to Catholic communities across our vast Diocese.

I write to share with you a revised and expanded series of directives which come into effect today, **Thursday 19 March 2020**. These directives are in addition to the previously issued directives to the Diocese of Geraldton of **Monday 2 March 2020** and **Tuesday 17 March 2020**. The Diocese of Geraldton is closely following the directives of the Archdiocese of Perth. The website of the Diocese of Geraldton has a dedicated COVID-19 webpage in which all statements from the Diocese of Geraldton, and supporting public health advice, can be found. You can access the Diocese of Geraldton website via the following link: <https://www.geraldtondiocese.org.au/novel-coronavirus-covid-19/covid-19>
