

27th March 2020

Dear Parents,

In the event of school closure, we will be commencing online learning in Term 2. We will be using ZOOM meetings as our digital platform. Could you please download the Zoom app on a device for your child to access the learning programme. Lessons will be a live feed and others will be recorded for you to use at a time that is convenient. The live lesson will also be recorded if the live lesson time is not suitable. The recorded lessons will be posted on class dojo for you to access. The Pre-Primary morning session and Literacy will be a live feed at 9.00am every morning. I strongly recommend that your child wear their school uniform or shirt so they associate that time with learning. It would be good if you could set up a learning space for your child with all of the materials that we have sent home. Our main form of communication will be via class dojo. Welcome to the new world of digital learning. Please only complete lessons and school work that is reasonable for you and your family to work through.

We hope you all have a Happy and Safe Easter

Mrs Ali O'Halloran, Mrs Emily Holla, Miss Georgia Fahl & Miss Lauren Pillera.
