

NAPLAN 2022 UPDATE

This year, between 10th and 20th May, our school will be doing NAPLAN Online. NAPLAN assesses literacy and numeracy skills that students are already learning at school. On its own, NAPLAN is not a test that can be studied for and students are not expected to do so. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance; however, students and parents may use individual results to discuss progress with teachers.
