LAST DAY OF TERM 1

GOOD FRIDAY

EASTER SATURDAY

EASTER SUNDAY

Dear St. Patrick,
in your humility you called yourself a sinner,
but you became a most successful missionary
and prompted countless pagans
to follow the Saviour.
Many of their descendants in turn
spread the Good News in numerous foreign lands.
Through your powerful intercession with God,
obtain the missionaries we need
to continue the work you began.
Amen.

FROM THE PRINCIPAL'S DESK

Dear Parents, Teachers and Friends,

How time flies; already we find ourselves in the middle of Week 7 with a little over 2 weeks remaining until the end of this shorter than usual term.

It has been very pleasing moving amongst the classes and seeing the progress already being made by many of the students. The commitment by both staff and students is to be commended and encouraged. I urge all parents to support and work in partnership with the teaching staff as they try to ensure all children learn to their optimum.

The greatest factor in the capacity for a child to learn at school is their class teacher and the relationship between the teacher and parent is critical. Research also clearly shows that children whose parents are actively and positively involved in their child's learning have a greater degree of success than children whose parents are passive in their approach to their child's learning. Please get involved in your child's education and help to develop clear lines of communication that will ultimately assist your child to make the most of their learning opportunities at St Mary Star of the Sea.

FIRST EUCHARIST COMMITMENT MASS

The Commitment Mass for students receiving Eucharist for the first time this year will be held this Sunday at 9:00 am in our parish church, St Mary Star of the Sea. All students who wish to receive the sacrament should attend with an adult.

There is a meeting for parents of students receiving eucharist this year tomorrow evening at 6:00 pm in the school library.

FOR SALE

The school has a dual axle trailer for sale. All reasonable offers will be considered.

YEAR 6 GERALDTON CAMP

The students from Year 6 will go to Geraldton next week from Monday to Friday for their school camp. A focus for this camp is the student's preparation for Confirmation that will be celebrated later in the year.

We wish them and their supervisors all the best for their week's activities.

P & F NEWS

Thank you to the ladies of the P & F who provided some delicious cupcakes for all the students today. They were greatly appreciated.

The P & F are currently looking for new members who can help out on the committee. Some of our current members are moving on so we need some new people with ideas and enthusiasm to keep the good work of our P & F continuing. If you are able to help out, please let the office know and we will coordinate our first meeting soon.

LAST DAY FOR STUDENTS

The last day for students this term is Thursday, April 1st. The first day back for Term 2 is Monday, April 19.

God bless,

Steve O'Halloran
Principal

From the REC desk...

Mass Times:

Weekday — Monday to Friday 9.00am

Weekend — Saturday 7.00pm

Sunday 9.00am

It has been quite a philosophical week for me, with so much ahead to look forward to but also, to reflect upon with the great discussions we have been having in the Senior Religion and Life classes. We have so much to be grateful for at this time of our lives; despite the pandemic sweeping across the world and inserting itself into our daily lives for nearly a year now, the world as we knew it, is no more. Look at instead what we do have: a new appreciation of what is in our own back yards – exploring our beautiful country and going back to the essence of a simple life; spending quality time with family and taking on that hobby or interest that we would not have had the time to do so previously and a much greater appreciation for our jobs/livelihoods that may or may not have been threatened by COVID. Above all, cherishing our family more, especially those who are separated from us by distance and perhaps even by illness or death.

How we took for granted the ease and freedoms that allowed us to jet here and there without a care in the world. This is therefore a good time for us to dig deeper into our own spirituality and take the opportunities to see God at work in our lives: where is the evidence of His goodness? His love? Every time we see a flower in bloom, a sunset, a front-line worker tending to someone in need, or a child learning a new concept. Even amidst the great suffering in our world today or in our own homes and lives, hope can help to heal us. Forgiveness of our enemies, the ones who wronged us, sometimes, even ourselves is the Year 11 & 12 students have learnt that we may have to forgive 100 times before the pain of our own suffering subsides but always to remember that with God in our lives, we do not have to do it alone. During this Lenten season as we draw closer to Holy Week, let us prepare ourselves to let God into our lives – to believe, trust and love Him as He believes, trusts and loves us.

I hope you all get a chance to experience the beautiful St Patrick's Liturgy that Mrs Chinnery and the Year 10s have been organising for us on Wednesday 17th March. It is a great occasion to dress in green, celebrate the great missionary life of this Saint and to continue his wonderful work.

On Friday, we will be celebrating our Commissioning Mass for all new staff and School Board members at 3pm in our Church. This is a lovely opportunity for the staff, board and community to come together to pray and celebrate our lives and vocations here in this Geraldton diocese. Parish and School community members are welcome to join us for this event.

As I prepare to join the Year 6 students on camp in Geraldton next week, please could I remind everyone to continue to contribute to our Project Compassion Appeal for Lent. More than ever, there are people who are tremendously affected by poverty and are suffering greatly. Please give generously and continue to pray for all those in need. I will conclude with the prayer that many will recognise as St. Patrick's Breastplate which is a popular prayer attributed to one of Ireland's most beloved patron saints. According to tradition, St. Patrick wrote it in 433 A.D. for divine protection before successfully converting the Irish King Leoghaire and his subjects from paganism to Christianity. (The term breastplate refers to a piece of armour worn in battle.) I attach the shortened version here below:

*Christ with me,
Christ before me,
Christ behind me,
Christ in me,
Christ beneath me,
Christ above me,
Christ on my right,
Christ on my left,
Christ when I lie down,
Christ when I sit down,
Christ when I arise,
Christ in the heart of every man who thinks of me,
Christ in the mouth of everyone who speaks of me,
Christ in every eye that sees me,
Christ in every ear that hears me.*

Until next time, take good care ...

Kind regards

Sam Da Luz

Religious Education Coordinator K-12

Secondary News

We have just over two weeks left until the end of term! As per normal, it has been a very busy term with many opportunities for the students to take part in, as well as for our teachers.

This term, our first Design and Technology in Wood classes have been run in the middle school for Years 7-9. It has been wonderful watching the students participate in both hands-on activities as well as testing their skills with sketching designs. Mr Lawer has been taking them through the various types of wood joints and is moving into their project work. We are looking forward to seeing their creations.

Mr Chinnery has been busy taking students to various local sporting venues to develop their skills and game play in badminton and tennis. The students have toughed out the hot and humid weather and shown development in their skills. As well students have developed their table tennis skills and the ability to organise and run fair competitions. Some of the students have also been fortunate enough to participate in the Pirate Game.

Success has also been achieved in Outdoor Education in Years 7 – 10 flowing into Outdoor Recreation in Years 11 – 12. Students have been learning a variety of skills to help them participate successfully and safely in the outdoor environment such as reading maps to navigate.

In Week 5, our Year 7 students were put to the test with their camp to Coral Bay. This was to be the first ever camp as a result of the Year 6 Geraldton Camp being cancelled due to COVID. They very nearly missed out on this camp as well, when the clouds opened and the glass dome of Carnarvon failed to keep the rain out. A rare site for Carnarvon and a blessing for many, but it nearly threatened the Year 7 Camp when the roads were shut as a result of the rain!

Fortunately, the roads were opened not long before the Year 7 bus trundled its way onto Coral Bay. From all accounts, the weather was fine for the duration of the trip and the students enjoyed their outdoor adventures. Thank you to Mr Chinnery, Mrs Jordan and Mr Narrier who provided the necessary supervision of the students. A big thank you to Mr Brooks who also provided the necessary transportation.

If you have not hopped onto Facebook this term, please make the effort to do so and be amazed by the dishes the students are putting out in Home Economics (Year 10) and Food Technology (Years 7 – 9). Not only do they smell and taste great but they have been presented beautifully and planned improving an individual's health as a focus.

Miss Hegarty has been busy planning and implementing a wonderful program for our Digital Technology skills involving programming and coding. We will really miss her when she leaves at the end of this term.

Our Year 11 and 12 students have been offered the opportunity to participate in Cert courses with TAFE. We have 6 boys who are completing their Cert II in Engineering at the Trades and Training Centre, 3 students who are completing their Cert II in Community Services at the local TAFE building and one student completing a Cert III in Early Childhood Care online. This is on top of the opportunity to complete the Cert II in Outdoor Recreation in-house and a Cert III in Business via ViSN. To add to this, we have two students on work placement at Carnarvon Community College and we are also about to place another student in work placement.

It has been wonderful to see our Year 11 students adjust to most of the aspects of Senior School with such enthusiasm and grit to do well and so early in the year. No doubt Mr. Meynell will work with them to help keep that dedication in place.

The Student Representative Council have also been busy with an off-site meeting at Gwoodwardu Mia to help devise and put the student voice to the Student Code of Conduct which we are hoping to put into place very soon. Students will have their next meeting on Friday with lunch supplied by the school.

Thank you to the parents for your flexibility in allowing us to move the Parent-Teacher Evening to Monday 29th March. With more data on student progress, we are hoping it will be more accurate in describing their performance and allow us to plan for Term 2.

Students all have their diaries now and should be recording their homework each day even if they have no homework. We have moved back to the trusty diary for homework recording to give parents a greater opportunity of keeping up with the requirements of their child's learning. Please try to have a regular look to ensure they are effectively recording their tasks.

Regards

Mrs Holtham

A/Head of Secondary

Week 6—Merit Award Winners

Congratulations

ST PATRICKS DAY - Thank you for the delicious cupcakes!

St Mary Star of the Sea Catholic School Carnarvon WA

ADMINISTRATION SUPPORT OFFICER – PART TIME

St Mary Star of the Sea Catholic School is looking for a motivated individual to join our administration team. We are looking for someone who is experienced in administrative procedures, computer literate and confident with Microsoft Word and Publisher. You must have excellent interpersonal skills and be fully supportive of the objectives and ethos of Catholic Education.

This is a part time position working Monday, Wednesday and Friday, 8am to 3pm, commencing Term 2.

The successful applicant will be required to obtain a Department of Education Nationally Coordinated Criminal History Check and a Working with Children Check.

Please send your application, including a current CV with names and contact numbers of three referees addressed to:

The Principal—Mr Steve O'Halloran
admin@smsc.wa.edu.au

Applications close Friday 26 March 2021.

St Mary Star of the Sea Catholic School Carnarvon WA

CASUAL GROUNDSPERSON POSITION

St Mary Star of the Sea Catholic School is looking for a motivated individual to be our Groundsperson. If you love working outdoors, are experienced in garden, lawn, minor building and equipment maintenance, then we would like to hear from you.

This is a casual position up to 38 hours per week, commencing immediately.

Applicants would preferably have the following:

- own vehicle with tow hitch
- current MR class Drivers Licence

The successful applicant will be required to obtain a Department of Education Nationally Coordinated Criminal History Check and a Working with Children Check.

Please send your application, including a current CV with names and contact numbers of three referees addressed to the Principal, Mr Steve O'Halloran, admin@smsc.wa.edu.au

Applications close Wednesday 24 March 2021.

YEAR 7 CAMP—CORAL BAY

On Wednesday 3rd March Mrs Jordan, Mr Narrier and I left Carnarvon for our three day camp with the Year 7's to Coral Bay. Our first stop was at Minilya Roadhouse where the staff and students were able to stretch their legs before the final push to Coral Bay.

Upon arriving at Coral Bay we were met by Kane and Harriet (Haz), our Camp hosts. Tents were allocated, lunch was eaten and we sat down in the dining area with Haz where she ran through the ground rules for Camp.

Our afternoon was spent down at the beach where the students had the opportunity to join in some beach games as well as go for a swim/snorkel. Haz took small groups out to try snorkelling and it was clear that we did have some experts in the group! Upon returning to camp some Beach Volleyball games started up while we waited for dinner, then after a dinner of spaghetti bolognese we headed back down to the beach for some games of spotlight.

Lots of fun was had that evening and everyone was worn out and in bed for 9.30pm, ready for an early wake up on Thursday.

Again we had lots of things to do on Thursday. After breakfast we made the short walk down to the beach where we split into our two groups ready to go out on the glass bottom boat tours of the reef. Each boat went in a different direction and got to see different parts of the reef. Again we had a good amount of time to get in the water and snorkel and it was great to see how confidently our students did this. I was especially pleased with the courage that some of our weaker swimmers showed by getting involved.

While it was clear that lots of our students had been to Coral Bay before and had done the tour, it was great to see so many questions being asked about the different varieties of fish and coral. Each boat had different experiences with one of the boats going further out towards the edge of the reef and seeing some different marine life.

After lunch it was time to get back down to the beach for some more fun. We had kids swimming, building sandcastles (and in some cases whole civilisations!) and a big game of cricket going on. It was an amazing way to spend an afternoon.

Thursday evening we had a guest speaker Frazer McGregor come in to talk to us about Marine Ecology and the importance of each of the animals on the reef to the overall health of the reef. He definitely captured the imaginations of the students and his presentation was incredible. The work he has done with Manta Rays was phenomenal and had the kids asking lots of questions at the end.

On Friday morning we were able to squeeze in a quick trip down to the beach for one last swim and play. By 11.00am we had cleaned out the bakery and were on the bus ready to make the trip home.

Special mention has to go to the staff that helped out both on the trip and who worked tirelessly behind the scenes to help get the trip going. Thanks to both Mrs Jordan and Mr Narrier who were sensational. A big thanks to Mr Brooks our driver who drove us there and back. Thank you very much for your support with this trip.

I would like to commend all the students involved for what for me was a sensational trip. The behaviour shown throughout the trip was commendable and even managed to impress Mr Brooks (who I am led to believe is hard to impress!)

Lets hope next years trip is just as good!

Mr Chinnery

COMMUNIO 2021

POSTER COMPETITION

“OFFER HOPE TO OTHERS”

Posters can be entered in the following categories:
K-Yr 2; Yr 3-6; Yr 7-9; Yr 10-12

Entries must:

- be hand-drawn
- include St Joseph as a part of the Holy Family
- include the theme of “offer hope to others”
- be A4 size
- be received by April 23

Inspired by the year of Saint Joseph, the theme for the Bishop's Communio in 2021 is 'offer hope to others'.

The last 12 months in human history have shown the power of the human spirit in times of great adversity. In Pope Francis' letter entitled *Patrís Corde* he reflects on how at this time more than ever it is obvious how "our lives are woven together and sustained by ordinary people, people often overlooked".

Perhaps this is not dissimilar to the experience of Saint Joseph, whose role in the life of Jesus should not be ignored. Saint Joseph, as the spouse of Mary and the father of Jesus is placed "at the service of the entire plan of salvation". His story is woven into the foundation of the Church "In hope against hope" and despite his own adversities, Saint Joseph accepted Mary and Jesus with hope and courage.

Communio this year is about drawing on this example and remembering that the hope offered by Saint Joseph can be also seen in the hope offered to others by our diocesan charities.

May 2021 truly be the year where we recognise how our Church, working as the hands of Jesus, can 'offer hope to others'.

Each school will choose the best 1 or 2 posters in each category and send them into Jo Harris at the CEWA office by **April 23**.

The best in each year category and the best overall poster will be judged by the Bishop.

The overall winner's poster will be made into a sticker for Communio Week.

The Uniform shop
is open
Tuesdays and
Thursdays 2.15-3pm.

Homework Classes

Homework classes have commenced every Tuesday and Thursday after school.

Please see the School Office for application forms.

INSTRUCTION TIMES

08:00	School gates open
08:15	Primary commences, Secondary homeroom
08:25 - 9:20	Period one commences
9:20 - 10:10	Period 2
10:10 - 10:30	Recess
10:30 - 11:20	Period 3
11:20 - 12:10	Period 4
12:10 - 12:50	Lunch
12:50 - 1:45	Period 5
1:45 - 2:35	Period 6

Students who arrive at School after 8.15 will need to sign in through the Administration Office.

ABSENT STUDENTS

Parents and guardians are reminded that all absentees must be documented either in the form of a signed note, email notification, SMS or the Absentee form via Seqta app.

Your note should include the child's name, Year level, reason for absentee, dated and signed by the parent or guardian.

Please note—we still require written notification even if you have advised the school verbally. If you have any queries, please do not hesitate to contact the School office on 9941 1328.

FEE CONCESSIONS FOR HOLDERS OF HEALTH CARE / PENSION CARDS

Applications close
THURSDAY 1 APRIL 2021

HEALTH CARE CARD FEE CONCESSIONS

Kindy to Year 12 Holders of Centrelink Health Care and Pension Cards may be eligible to receive Fee Discounts. The card must be current and show the names of the children attending school. The discount can only be given to the person responsible for payment of the school fees.

Parents of children who are in receipt of ABSTUDY are NOT eligible to receive HCC Fee concessions.

Department of Education Secondary Student Assistance

Parents of children in Years 7—12 who hold a Health Care Card or Pension Card are also eligible to receive assistance through the Dept of Education.

Applications for Secondary Assistance close on **Thursday April 1st**. Claims cannot be made after this date. Parents of children who received ABSTUDY are eligible to receive a small rebate from this assistance scheme.

All families claiming fee discounts must complete new forms for 2021 - Please bring your card to the Office and complete the required paperwork.

If you have any queries regarding your fees, fee payments or fee concession discounts please contact the School Bursar, Sarah Berson on 99411328.

Thank you.

St Mary Star of the Sea
Catholic School Parents &
Friends Association
@smsscpanz

The p&f have the following positions available:

1. President
2. Secretary
3. Treasurer

If you would like to join in the fun, please contact the school on 9941 1328.

The P&F is no different to any other sport club committee or common-interest group. The idea of meetings and mundane tasks may seem tedious at first, but nothing can be achieved if we all shy away from must-do activities. The rewards can be life changing. The more hands, the lighter the burden, the bigger the cheer squad for each other in our walk together. Every single one of us can help in a small or large capacity.
